NOVEMBER 3, 2022

Strike off listing

The first four-pages of this 12-page listing contains delinquent taxes, fees and interest on a possessory interest, mobile homes, mineral rights and real property that will be struck off to the County.

The mobile homes listed include individual comments.

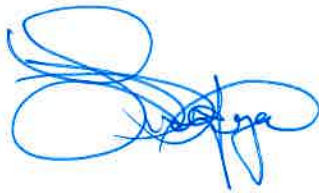

The legal descriptions for the mineral right accounts listed were not verified prior to the sale date, therefore they will be struck off to the County for further research. Account N019340 which is listed, is in the Treasurer's Deed process; Deed scheduled for 11/14/22.

The real property accounts listed are currently reflecting ownership as "Unknown" per County records. These accounts require research that was not completed prior to the sale date; therefore, they will be struck off to the County.
